

Bachelor's in Vocal Performance Audition Requirements

Video Audition Instructions

You, the prospective student, must create a 10-minute maximum video with the following components:

1. Sing the exercises included in this video.
 - <https://youtu.be/NRu29GpGC7w>
2. Sing a song selection of your choice which best showcases your voice.
 - This song should show your best vocal qualities.
 - The song needs to be fully memorized and performed to the best of your ability.
 - This song may be accompanied - guitar, keyboard, a band or backing tracks are fully acceptable.
3. Sing one song selection of your choice completely acappella, or unaccompanied.
 - This may be a simple song like a hymn, ballad, or anything where it is your voice by itself.

You are the focus of this video so please make sure your camera is focused on you and the sound quality is adequate enough for us to assess your performance - please review your video to make sure that the input sound doesn't cap/peak and that the accompanied music doesn't overpower your voice. Please stand up to sing and have the camera placed so that we can see you from the waist up, but close enough that we can see your face. Please assess the angle of your camera as well so that it is a straight angle and not an upward angle.
