Application Video

You, the prospective student, must create and upload to YouTube a 12-minute maximum video with the following components (combine *all* the elements into ONE video). The components of the video must be done in one continuous take, with no edits. Have any materials (backing track, metronome, charts, etc.) and/or musicians ready!

1. Play the following scales to a metronome. 2 hands, 2 octaves, *minimum* tempo of 100 bpm (or faster):
 - a. C Major & A minor
 - b. G Major & E minor
 - c. D Major & B minor
2. Submit one performance that best represents your preferred stylistic genre and ability. The performance may be solo, include other musicians, play-along tracks, or original recordings. Aim for 3-5 minutes.
3. Play a second, shorter piece of yourself improvising over a major (think CCM or Pop) chord progression or a 12-bar blues progression. This may be performed either with a band or to a backing track. Aim for 1-2 minutes.

You are the focus of this video so please make sure your camera is focused on you and the sound quality is adequate enough for us to assess your performance.
